TERMS AND CONDITIONS : Puppy Wait List / Puppy Deposits

All new litters will be offered to families on our waiting list first. We will then offer pups for sale to the public..

Our waiting list goes in the order of the date the deposit was received. We require the first non-refundable deposit of \$ 40.00 to be placed on our Waiting List.

This is to secure your spot in the line up for a puppy of your choice from the upcoming litter but is also Transferable. This means, if the litter does not produce a gender of choice we can transfer it to keep your spot on the waiting list for a future litter. This deposit will be deducted from the \$ 200.00 deposit of your puppy.

When the puppies are born we will notify you of the available pus. We then require a nonrefundable deposit of \$200.00, (40.00 +160.00 = \$200.00) to be made within 24 hours of notification, to hold your puppy. At this time we require you to pick the puppy of your choice.. Your deposit will be applied towards the total purchase price of your puppy. If the deposit isn't received within the 24 hour time frame, your name will be bumped to the end of our waiting list.

Deposits can be paid through Paypal, or Zelle.

The remaining balance of your puppy must be paid in cash and is due at 8 weeks old, when you receive your puppy.

If you require us to hold your puppy longer than 8 weeks old, prior notice is required and boarding fee will be added.

As a breeder, we reserve the right to have first pick of the litter

PLEASE NOTE

At times families are on our list and waiting for a pup when the timing is perfect for them, or out of specific dogs. This doesn't mean that ALL families on the list will be getting a pup from the next litter available.
