# Argus Apple Triathlon: Registering Your Relay Team

Thank you for your interest in registering a relay team for the Argus Apple Triathlon. Here is your quick guide to registering yourself and the rest of your team members. If you need assistance during the registration process, please feel free to connect with the Race Roster Support Team:

Email: support@raceroster.com

Phone: 1-855-969-5515

Registering Your Team:

Step 1: Register yourself as the team captain

You will first need to register yourself, the team captain. As the captain, you are responsible for the cost of registration for the entire team, which you will pay upfront. Your link to register can be found here:

https://raceroster.com/events/2026/111232/argus-apple-triathlon/register?event=363684

You will then add your team name and continue through registration. Once you have paid for your registration, your team has been created and your teammates can sign up!

Step 2: Your teammates can register

Since you will have now created your team and paid for everyone's registration, your teammates can now register onto the team. Their link to register can be found here:

https://raceroster.com/events/2026/111232/argus-apple-triathlon/register?event=366537
