

Knife Exchange Program

Tailored Sharpening now offers a full-service knife exchange program to support our local businesses.

We look forward to our SHARP approach at serving our community, keeping you on your daily grind.

Hassle Free Knife Rental

- Simply select the quantity
- Select your desired frequency - No extra charge

Professional knife sharpening ensures long-lasting sharp edges, safety and increases the lifespan of your equipment.

Tailored Sharpening's exchange program helps make your business more efficient while saving you money in the long run.

Here are reasons to consider our sharpening and exchange program

- Providing a safer and cleaner option than in-house sharpening
- Minimizing sharpening risks to your employees
- Prevent food-borne illness that can arise from unsanitary cutting edges

A cost effective and beneficial service to your staff.

PROGRAM DETAILS

- ✓ Simply make your knife selection and choose desired quantity
- ✓ Choose your desired frequency, typically every two weeks
- ✓ Free pickup and drop off for businesses inside the Madison area
- ✓ Knives are returned sanitized and ready for you immediately
- ✓ Enjoy the assurance that your knives will stay **SHARP** to keep **YOU** on your daily grind

Knives must be maintained with the following care and condition or subject to additional charges

- Must be Sanitized upon pickup
- No major chips or bends or broken tips
- No altercations to handles or blades

All knives comply with sanitary requirements of the NSW Food Authority thoroughly cleaned and sanitized, delivered food ready.
