

Auto Repair Business

Over 50 years of providing professional auto repair with three bays and two additional three season covered lifts. Long term highly trained technicians in place offering total car care including brakes, oil changes, tires, alignments, new car check overs, exhaust work, scheduled maintenance and suspension services.

We offer a full range of car repair and maintenance services, from oil changes and tune ups to engine and brake repair. Our auto shop is AAA approved and certified with the ASE Blue Seal of Excellence, so you can trust that our mechanics will do a good job on your car. If you need serious, lengthy car repairs, we are happy to offer a loaner car while you wait. Our mission is to ensure your safety and happiness through our services.

We are located off a main road with great visibility, plenty of parking. Customers come from two states for their automotive service needs. Our long time customers have ranked us in the top 5% of shops in the area. We have over 1000 independent 5 star reviews, and over 40 5 star google reviews.

Highly profitable turnkey operation with all the tools, lifts, electronic diagnostic equipment already in place. New Hunter Alignment machine and alignment rack.

This business is priced to sell quickly, it is well established, and comes with the personnel that will continue to make this company profitable.
