

Established National Company

Offering Social paint Parties With a Twist

This company started from humble beginnings in one location to expanding all across United States, with associates, and company reps in more than 14 states and currently expanding in additional locations. This is a very exciting opportunity as this company is poised to have explosive growth !The company could be offered as a franchise or in an MLM marketing arena.

Much effort and preparation has been put into a Website, with a back office offered to the associates & reps, providing : Scheduling, a private store, event listings, commission & marketing reports. Google for work - Full Drive system is being used for : Step by step manuals, Media, Videos, Flyers, Instruction & Training. This company can be run from anywhere in

or out of the United States.

Starting from the artists owner desiring to offer a new experience to friends to now offering this same experience across all of the United States ! We bring all of the supplies to you, in order for you and your guests, to create a unique and personal piece of art in the comfort of your home. The venue has also been expanded to bring the fun to a restaurant, business or craft store near you.
