Our Vision

Luxury Golf Society LLC founded the “Luxury Girls Golf Club” (LGGC) To create a community for women to golf, develop connections, and lead in community service. Members will not only learn the game of golf but build a strong union of sisterhood.

LGGC's mission is to build successful relationships /partnerships with other organizations.

With open arms, our brothers are welcome to support as nonactive members.

Overall, we are building a strong sisterhood, a substantial network for our members who are entrepreneurs, and ensuring everyone has a voice in our club!

So gear up ladies and Welcome to the Luxury Girls Golf Club💕💕

See you on the green! 🏌️
