

Meet Your Trainer

Val – Owner/Trainer

With over 25 years in the pet industry and certifications in American Kennel Club (AKC) STAR Puppy and Canine Good Citizen, I've developed a unique, relationship-based training approach that's helped hundreds of families raise confident, well-mannered puppies.

With Neshaminy Creek Dog Training, I have supported families like yours through the exciting yet challenging early days of puppyhood.

From crate training and potty schedules to socialization and foundational obedience, I assist during those crucial, impressionable weeks.

My philosophy is straightforward:

Training should be clear, compassionate, and enjoyable for both dogs and their humans. I meet each family at their current stage and provide guidance every step of the way.
