

Packaged Snoball Order Information for Small Events

For small parties, flavors are limited to: Strawberry, Blue Bubble Gum, Ice Cream, Nectar, Pina Colada & Cotton Candy.

- Snoballs will be packaged in a Styrofoam cup with a lid
- Snoballs can either be indefinitely stored in a freezer; however, if the freezer is set too cold, the Snoballs will have to be defrosted before eating. A freezer set around – 3 degrees or warmer is perfect. Dial should be set at least a ¼ of the way closest to the warmest setting. Most peoples freezer is set at an appropriate temperature.
- Snoballs can be picked up just before party
- Snoballs can be stored in a cold ice chest for at least 1-1/2 hours
- Keep ice chest closed as much as possible. Try to keep closed until ready to serve.
- Ice chest should be kept inside or in the shade; preferably inside
- Do not pick up Snoballs with an ice chest that’s been sitting in a hot car
- SS is not responsible for melted Snoballs
- Spoons can be purchased for .09 each

FOR ADULT FUNCTIONS, Snoballs can be made into Daiquiris. Add 1 to 1.5oz of water and 1 shot of your favorite alcohol to a 16oz Snoball. If making a double, do not add water. Stir and enjoy, no blending required.

Call for more information.

Snoballs are delivered in freezers or freezer trailers for large events when available.
