Dear Anand,

As our meeting last Saturday, please see attached the following:

### Land ownership map:

- Map showing the private land ownership and the possession CSB has on 10 parcels (in green color)
- There are a couple of private land ownership missing on the bottom grid of the map because we don't have handy the digital map for that area but we are requesting it ASAP in order to complete the map.
- The map contains UTM coordinates for the 8 concessions, private ownership list and CSB possessor list

### Excel sheet

- Excel sheet showing useful information regarding the land ownership and possessor (green) on the land where the 8 concession are located.

Regards,

Juvy
