Before You Go - Lewis Capaldi

Intro:

C / / /

Verse:

C / / / Am / / / F / / / G / / /

I fell by the wayside like everyone else
I hate you, I hate you, I hate you, but I was just kidding myself
Our every moment, I start to replace
'Cause now that they're gone, all I hear are the words that I needed to say

Pre Chorus:

C / / / Am / / / F / / / G / / /

When you hurt under the surface
Like troubled water running cold
Well, time can heal, but this won't

Chorus:

C / / / G / / / Am / / / F / / / x2

So, before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather
So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless

G / / (/)

So, before you go

Interlude:

C / / /

Verse:

Was never the right time, whenever you called
Went little by little by little until there was nothing at all
Our every moment, I start to replay
But all I can think about is seeing that look on your face

Pre Chorus:

Chorus:

Bridge:

Am / F / C / G / Am / F / G / / /

Would we be better off by now
If I'd have let my walls come down?
Maybe, I guess we'll never know
You know, you know

Chorus:
