

ATTENTION PARENTS:

Your worries are over!!!!!!

We at Harvard International Academy enjoy working with each individual student who are willing to embrace a new journey in our alternative program. We will work with each student as they meet the challenges to receive their *standard High School Diploma*. Our curriculum is self paced and designed to prepare students for post-secondary education. We are accredited by the ACPSA – American Council on Private School Accreditation and NIAG – Nationwide Independent Accreditation Group.

ARE YOU FRUSTRATED AND DON'T KNOW WHAT TO DO?

Harvard International Academy is a school that offers an accelerated standard High School Diploma for students who are at risk of not graduating.

Students who are unable to be successful in a conventional school setting can benefit from the small, creative, highly individualized learning approaches of our school. Our classroom setting offers a way to address disruptive behaviors caused by an emotional or behavioral disorder. Students who have problems with depression, anxiety, family/peer/school conflict and poor social skills can get the help they need in our non-threatening, supportive environment. Harvard International Academy is designed to help students recognize their own unique talents, we provide students with the skills necessary to become successful and we will make sure each student graduate with a career
