Registration Form - Mandarin Mondays at Friends Central

Join Mandarin Mondays at Friends Central! Open to students in grades 1-3, this fun filled program offers hands-on learning through music, crafts, and interactive games. Perfect for children learning Mandarin for the first time, or who have some exposure at home. Children will learn speaking, listening and some Chinese characters.

We'll cover the essentials through activities children love. Our multi-media curriculum helps reinforce the basics with listening practice at home or in the car. This low stress, high fun approach is designed especially for young children. For more information visit www.ChineseForFamilies.com, email info@ChineseForFamilies.com or call 610-844-2878 for more information.
