

**“He’s not just about talk, he’s about action.”**

“Raul Gonzalez is the kind of leader who actually makes things happen. He’s not just about talk, he’s about action. I’ve known Mr. Raul and his family for over 12 years, and in all that time, one thing has always stood out, and that’s his genuine care for others. He’s constantly looking out for his community, giving solid advice, and creating real opportunities.

Mr. Raul makes sure everyone around him is moving forward. He’s always motivated me and my friends, checking in like a proud father. He listens, he understands, and most importantly, he follows through. Our community and our island are hurting, and Mr. Raul has both the will and the plan to bring about real change. That’s the kind of leadership we need.

I’m supporting Mr. Raul because I know he’ll do what he’s always done, show up, put in the work, and deliver results.”
