

## Pre COVID-19 Black Mirror Bandersnatch Remix Bars

The third release from comedian Anyi Malik's *69nyi MaliXXX: Hilarity, Technology and Sex* project features his standup comedy and a remix to his first hip-hop single *Bars @ Noon*. For the comedy, Malik blasts into the future and the past, with *Flying Cars (Black Mirror)* & *Personal Flying Device (Bandersnatch)* reimagining the days to come, and *Pre Coronavirus COVID-19 Trash Bust* throwing back to a simpler time. To help with the rap verses, Malik enlists fellow Bay Area, Ca legends IAMSU and Lil B.
