

# Bringing it Home: A Climate Solutions Workshop

Wed. April 15<sup>th</sup>, 1-3:30pm at Fire Hall, Eastsound WA

## What is Happening Right Here in the Islands?

- Come learn about the **predicted impacts of Sea Level Rise in the San Juans** and bring your smart phone, tablet, or laptop to use free GIS storymap tools.
- Join the lively design charrette to share ideas for the **future of Crescent Beach**.
- Celebrate Orcas Island's current green car share and planned **EV transport** achievements.

Presenters include: Tyler Davis, SJC County Environmental Stewardship; Tina Whitman, Friends of the San Juans, Senior Scientist; Peter Guillozet, SJC Land Bank; Bruce Benton, Orcas EV Network and Car Share. Photo credit: Tenar Hall.
