

How to use us:

- STEP 1** – Contact us for a Stock Check
 - STEP 2** – We'll give you our Current Stock options
 - STEP 3** – Send us a Purchase Order
 - STEP 4** – Your order is Delivered
-

Call or E-mail us for a **stock check**. (*Give us as much information as you have about the products you'd like a stock check on.*)

We will give you our **current stock** options. (*We go out to the warehouse, confirm quantities on the stock you're requesting, and give you a final count of what is available to meet your needs. When appropriate, we will also make recommendations and/or options that may enhance your ability to provide solutions to your customer.*)

Send us a **purchase order**. (*Send a purchase order to us and we'll acknowledge receipt of your order to always keep you informed. Orders received by 2pm Arizona time are typically able to ship the same day.*)

Your order is ready for **delivery**. (*Based on your requirements, we will have your order packed and ready to ship to your location, your customer's location, or ready at our will-call desk. If shipped, we can do everything from overnight A.M., to bulk container shipping, and everything in-between...and provide you with the tracking information so you are always informed where your materials are.*)
