## Application for Admission to Light House Academy

Thank you for applying for admission to Light House Academy. LHA builds its educational foundation on principles and teachings with a Biblical worldview while using academic materials sourced from respected educational publishers and suppliers. Students pursue solid academics while also developing their personal character to reflect a Christ-like demeanor. Emphasis is placed upon building strong moral character with focus upon honesty, integrity, hard work, independence, moral purity, and respect for everyone. Light House Academy provides a wholesome, loving, safe environment where students experience multigenerational interaction, volunteerism, respect for authority and leadership, and learn to accept responsibility for their actions and resulting outcomes.

Please first review our Admissions Policy and school Handbook and then complete the General Application. Upon acceptance, you will be provided with the Enrollment Forms for your student(s). We purposefully try to maintain very reasonable tuition rates, and have limited scholarships available to qualifying families.

If you have more questions, contact us by phone or email. We look forward to having you as part of our 'family.'
