

Summer Camp Sponsorship Packet

July 7 - August 1, 2025

Our free program empowers Baltimore City girls with entrepreneurship skills, self-esteem, and social confidence through jewelry making. Founded by seasoned educator Dyon Davidson in 2022 with support from the Baltimore Children and Youth Fund, the camp provides an enriching experience that remains accessible to participants at no cost.

Beadly Speaking Kidz Jewelry Camp

Inspired by her desire to assist her mother's recovery journey from a brain aneurysm, Davidson's passion for jewelry-making became a therapeutic outlet and a catalyst for this transformative program.

Participants will gain:

- Entrepreneurship and leadership skills
- Mindfulness and self-esteem building
- Jewelry-making and pricing expertise
- Product photography and display creation

The camp culminates in a **Public Marketplace** on August 2, 2025, where attendees will showcase and sell their handmade creations.

- Jewelry-making tools and materials
