The selling of the old county shed was discussed. Clerk will clear all details before making the sealed bid selling public.

Taggart permit was tabled as property owners were not present to discuss. More information is needed.

COUNCIL/STAFF REPORTS

James reported on the rust issues that were brought up by Lou Ann Eberhart at the February meeting. James flushed the dead end hydrant on their end of town and got a lot of rust out. Delmar uses polyphosphate to help sequester rust in the lines. The EPA standards are flushing in the spring and fall, and having hard water in tow we are limited. It was also mentioned that the level of rust in the lines is not a health issue, rather aesthetic. To be proactive, James and Brad will flush all dead ends in town every month, mid-month, weather permitting. April is a full flush, weather permitting as well.

Seth reported that Kline Sewer & Drain did their annual clean out of systems and all went well.

Sheriff reports were reviewed with a total of 39.13 hours of patrol time for February, 2 cases filed, 5 citations/warnings issues, and 28 calls for service.

Brad reported that he dug trenches in yards to drain water off the streets, cut grass lines off with skid loader to change waterflow. LL Pelling reached out to him inquiring if we want any streets done and he let them know not this year.

Schneden reported that the fascia at the Dance Hall portion of Bam Bam's was down. Brad will contact Kenny Bailey and Mike Holmes.

Beck reported we need to set a date for clean up days with AT Disposal. The weekend after city-wide garage sales was agreed upon.

McDermott reported there is a camper behind Bam Bam's plugged in. Clerk will contact sheriff for a welfare check. Also discussed was the school concession stand being on city property and needing a survey and quit claim deed.

At 7:30 p.m. a motion to adjourn was made by McDermott with a second by Pickup. All ayes.
