How did Delmar get its name?

On its inaugural run, rather than continuing straight through into Maquoketa as did the Davenport and St. Paul line, the Midland train paused to name the new station. There were six ladies on the train with the first names of: Della, Emma, Laura, Marie, Anna, and Rose. Using the first letter of each ladies' name, they came up with the pronounceable name of "Delmar".

This Month in Pictures

Delwood Elementary held its first Career Day! Students got to hear from different types of careers and learn about careers in our community!

Joke of the Month:

What do you say when someone gives you a gift on April Fool's Day?

A: Prank You!
