To our donors and supporters,

Thank you for supporting the Stepping into Success Shoe Drive sponsored by the Washington Section of the National Council of Negro Women, Inc. Our goal is to support the local community through service, advocacy, and partnerships. This shoe drive supported Suited for Change, a local non-profit organization that provides women in need with the professional attire, coaching and skills training. Your generous donation has just changed the lives of women who are re-entering the workforce, and because of you, the women will have appropriate shoes to complete their interview attire. Abundance became the word for our shoe drive, and we were able to support 2 additional non-profit organizations with your donations, the Phyllis Wheatley YWCA and the First Baptist Church of Deanwood. Both were grateful for the unexpected bounty, which were needed by both organizations.

Thank you again for your donation to support our effort and hope you will continue to partner with us in the future.

Sincerely,

*Lori Hawkins*
