CPRE Berkshire Open Meeting

Green Belt Proposal at Jealott's Hill

You are invited to an **OPEN MEETING** at Warfield Primary School (Woodhurst site) Sopwith Road, Warfield, RG42 6BR
Friday 24 January 2020, 7.30pm – 9.30pm

What is it about?

Please come to our public meeting to hear guest speakers **Richard Knox-Johnston, Chairman of the London Green Belt Council**, and **Chris Turrell, Executive Member for Planning and Transport Bracknell Forest Council**, talk about the proposed housing development at Jealott's Hill, the importance of protecting the Green Belt, and to contribute your views to a discussion about the impact of the development on Bracknell's Metropolitan Green Belt. The meeting will be chaired by **John Hudson, CPRE Berkshire Chairman**, and there will be opportunities for Q & As.

Why is CPRE Berkshire organising this meeting?

CPRE Berkshire is a registered charity which campaigns to promote, enhance and protect the county's countryside, the Green Belt and many rural areas for everyone's benefit, wherever they live.

We believe this proposal goes against the primary aim of Green Belt policy to prevent urban sprawl; threatens its 'openness'; and goes against the current national policy guidance which states that only in 'exceptional circumstances' should there be changes to the Green Belt boundaries.

We recognise and acknowledge Bracknell Forest

Council's previous commitment to protecting the Green Belt and acknowledge their efforts to focus housing development on brownfield sites. However, this new proposal for an inappropriate development of 4,000 homes at Jealott's Hill sited in Green Belt land is not acceptable. The proposal clearly states that in order to build these houses, land at Jealott's Hill will be removed from the Green Belt designation and the Green Belt boundary redefined. If this goes ahead, it will be an irreversible loss.

What you can do:

- ◆ Come to the meeting to find out more
- ◆ Contact and talk to your Councillors
- ◆ We are stronger together:
Join us at www.cpreberkshire.org.uk or fill in a membership form at the meeting
- ◆ Become a CPRE Volunteer
- ◆ Follow us @cpreberkshire  

Remember to register your attendance via our office at: cpreberkshire@btopenworld.com
OR tel: 0118 930 6756

We depend on local people for income and support. Help us to make the countryside thrive as a living landscape now, and for future generations.
