

Save Jealott's Hill Newsletter

19th January 2020

Countdown to Friday: Question:

Do you think it is a good idea for OUR Council to lift the Green Belt status on 600 acres of farm land in the Green Belt to allow a company to financially benefit from the land's increased value when the Council has no guarantee that the company won't just sell the land for development, pocket the money and leave the area?

If this worries you then you need to be at the CPRE meeting at Woodhurst on Friday 24th at 19:30.

Post Code is RG42 6BR

Admission is FREE but you should register in advance. To register email cpreberkshire@btopenworld.com or 'phone 01189 306 756

If you want to stop the ruthless destruction of the natural habitat of Jealott's Hill then you need to come out on Friday 24th and make your feelings known.

No ifs, no buts, lets get this outrage stopped!
