ABOUT ME

Divine Greetings or Namaste!
I am Queen "CoCo"-aka- Sophia
Divine. I'm a 3-wheel-riding
motorcycle grandma (YaYa) who loves
gardening, counseling friends and
family on energy health, and helping
the community. I'm trained in the
Usui Method of Natural Healing, 3rd
degree Reiki Master, ready and able
to assist those in need.

MY OBJECTIVE

The definitive objective of the Divine
Sophia Healing Garden is to heal and
elevate the human collective. If truth is
what you seek, talk to me.

"FYI" TAROT CARD ENERGY READINGS

Tarot cards are archetypal symbols used to depict major and minor life cycles, situations, or "energetic vibrations" that all human beings experience. They are tools used to help discern the spiritual energy that surrounds us throughout our life journey. Oracle cards depict helpful messages, sayings, affirmations, and/or pictures that also assist the reader in connecting with the client to deliver spiritual enlightenment.
