

La Cueva Girls Basketball Poster Sponsorship

The La Cueva Girls Basketball Program is asking for your support!

We are selling sponsorship space on our team poster. Program sponsors will be listed prominently on the bottom of the poster. This is a great way for you to advertise while showing your support for our program! By becoming a Sponsor of our program, you are helping these student athletes to participate in a team sport that emphasizes our school's "Habit of Excellence." These student athletes are positive role models for the La Cueva community. If you would like more information or have questions, please call April at 505-264-1722.
