We are now required to charge sales tax on membership dues by the State Comptroller of Texas.

Sales Tax Statement for Membership Dues

Sales tax is applied to membership dues in accordance with applicable state and local laws.

How sales tax is calculated

- Sales tax (if applicable) is calculated based on the member's billing address and the combined state and local tax rates in effect at the time of purchase.
- Taxability of membership dues may vary by jurisdiction and is determined by applicable laws and regulations.

When sales tax is charged

- Sales tax will be added to membership dues at checkout or at the time of renewal if the member is located in a state where we are required to collect sales tax on memberships.

Exemptions

- Certain memberships or organizations may qualify for a sales tax exemption. If you believe you are exempt, please contact us before completing your purchase and provide valid exemption documentation. Approved exemptions will be applied in accordance with applicable law.

Changes

- Sales tax laws, rules, and rates are subject to change without notice. We reserve the right to update this statement as necessary to remain compliant with current regulations.
