SAFER STUDIO POLICY

1. Danbury DDF requires all staff and students to stay home when they are ill. To reduce community spread of Coronavirus and other illnesses, we follow best practices and recommendations from our local health department. Danbury DDF understands that unlike older children and adults, young children cannot always be expected to maintain social distancing. Therefore, Danbury DDF focuses on a hierarchy of measures beginning with keeping ill people home, followed by frequent hand cleaning and good hygiene practices, amplified cleaning, and curricular and facility adaptations to minimize contact and mingling where possible. All studio classes are backed by an online learning platform. In the event a class is unable to be held at the studio for an extended period, classes will convert to an online learning platform until in-studio classes can resume.
2. Danbury DDF reserves the right to change our safety precautions at any time following our local health departments advisory.
