The First Annual Choir Clash will be held in February of 2024! We are seeking choirs and singing groups who would like to participate in this benefit concert. Please email us if you are interested in participating!

With the help DSS, we have been able to provide birthday gifts for children in DSS custody, either a Fun Factory trip, a gift card to Ruby Cinemas, or a wishlist item that can be shipped to them if they are out of county.

Recurring monthly donations have started coming in, and we look forward to increasing those funds to be able to support our Macon County families each and every month.

We have shirts! T-shirts have arrived and are available for purchase! \$20 for children, \$25 for adults. Email or call to place your order.

This quarter has been very productive supporting current families, getting to know new families, and supporting DSS along the way.

A new class of families just graduated from training and we were able to provide them with fire extinguishers and other needs to bring their homes up to state standards.

- In August we held our back to school haircut event where children received a free haircut, a new pair of pajamas, and a water bottle to help them get prepared for school!
- In October we will host a paint party where both kids and adults will get to paint a pre-drawn canvas, and enjoy some snacks together!
- We spoke to local church groups and agencies that have supported the work we are doing! Thank you to everyone who has let us share our purpose and passion to help this foster community.
- We will be in attendance at Pumpkin Fest in Franklin on October 21st where we will have raffle tickets for sale, we have a variety of items that you could win. All proceeds from ticket sales will go toward foster care awareness and support!
- We have big exciting news coming in the next few weeks, so keep your eyes on our social media pages to hear what we have going on!
