As we begin 2024, we are filled with immense gratitude for your unwavering support. We have reached new heights and positively impacted more lives. We look forward to continuing this journey with you all and making a difference together.

The end of 2023 was filled with a paint party for foster and adoptive families and kids, our attendance at Pumpkin Fest, providing lunch for the Department of Social Services in November, hosting a holiday party for foster and adoptive families in December, providing Christmas for 4 vulnerable children, 9 welcome bags, 5 care packages, grocery gift cards to families providing for kids, and birthday gifts to children in care!

Shirts are available for purchase! \$20 for children, \$25 for adults. Email or call to place your order. Any new recurring donation of \$10 or more per month will receive a FREE shirt!

Becky Bennett was appointed to the position of Executive Director, and Dr. Lisa Holland was appointed to President. We are very proud of these ladies and look forward to the service they will provide Magnolia Mission.

Our website has been updated and will continue to be updated throughout the month of January! Check it out if you haven't already!

- At our December holiday party, parents got to play games, relax, and network with each other, while the kids got to decorate cookies and visit with (a trauma informed) Santa Clause! Thank you Joe for your time and care while portraying Santa for us!
- We have opened our brick & mortar location at 376 West Main Street! Email us to setup a time to come by and see our new space, take a tour, and hear about ways you can plug in and continue supporting foster and adoptive families! A big thank you to Four-H's Electric and Bennett Truck and Tractor for helping us get our signs installed!
- In November, we spoke to Mountain Top Rotary in Highlands, thank you for allowing us to come share what we do and why it is so important!
- Pumpkin Fest raffle basket winners received their prizes! Thank you to everyone who purchased tickets! This will be an annual fundraiser and awareness event for us! If you would like to contribute to a raffle basket for 2024, please email us!
- May 2024 is foster care awareness month, keep your eyes on our social media as we start to share upcoming events for the community!
- We love the opportunities we have had to provide support and encouragement to foster families, adoptive families, and biological families!
- Please keep supporting us with financial donations, basket item donations, and volunteering your time. It all makes a difference in the lives of vulnerable children!
