Russell Hawkins was appointed to Vice President. We are very proud of Russell and look forward to the service he will provide Magnolia Mission.

We shot a video to send out to groups, churches, and clubs to help inform them about foster care and why Magnolia Mission is needed in Western North Carolina.

- We fully settled into our office space, and it has been wonderful! Come visit us at 376 West Main Street!
- Magnolia Mission continues to speak to groups, clubs, and churches about our mission and how they can get involved.
- We will host our annual brunch for foster/adoptive/kinship mothers on April 27th, this is an event we hold to show the mothers who are caring for extra children that we appreciate them and they are doing an excellent job!
- May 11, 2024 will be an awareness walk at Parker Meadows, there will be games, activities, food, raffles, information about foster care, information about Magnolia Mission, and fun for the whole family! Please consider joining us to help spread awareness about foster care during May, foster care awareness month!
- We love the opportunities we have had to provide support and encouragement to foster families, adoptive families, and biological families!
- Please keep supporting us with financial donations, basket item donations, and volunteering your time. It all makes a difference in the lives of vulnerable children!
