这张片不错

A photograph of two men in a kitchen. The man on the left, with grey hair and a beard, wears a dark blue polo shirt and white gloves, pointing at a photograph on a table. The man on the right, with dark hair, wears a blue and white plaid shirt and looks at the photo. The photo on the table shows a landscape with a body of water and trees. In the background, there is a kitchen with wooden cabinets and a microwave. A framed picture hangs on the wall to the left, and a thermostat is on the wall to the right. A wooden chair is visible on the right side of the frame.

We are having a problem with the Center Right Digit. You are correcting the situation. You or your team is responsible for the situation.

The Brass Insert Hole you see in the diagram is for the Brass Insert. In some cases we removed the excess plastic from the insert. You might need the "Optional" Brass Insert.

The Base to Hand Pivot Pin Hole has been made slightly larger on some units. Both holes about the same size and the Digit Pin is fine, but can make the assembly harder.

OK: The Base to Hand Pivot Pin has a slightly larger hole.
