**Band Director:** Payment Plan for Florida (4) payments of \$200. This payment may not cover the MEARS Transportation from the airport to hotel. We may need to host a fundraiser to cover the cost of this. A code of conduct contract for the trip will be added. Rooming next to tackle. 647240 is AA flight confirmation. Other concerns are that all music is memorized and able to play. We will take all the money and then write a check to Spiritlifters.

**New Business:** Dan Kinnaman needs to resign as VP due to conflict of interest. I nominate Emylie Anders. Tiffany 1st, Kristen 2nd as the New VP. Christmas Ornament ideas for the end of year concert. Ideas include; Map with X Marks the Spot, Pirates?? Judy and Kristen are looking into ideas for us and will report back. We also need to look for Track Pants for the Florida trip so everyone has the same look. We also have to pay Varsity Studios for the 10 Senior Banners. Approval for swag table items for Homecoming cowbells and light up necklaces, Kristen 1st, Tiffany 2nd Total was 74.57.

**President:**

**VP:**

**Treasurer Report:** Tiffany discussed wanting to update the Bylaws and change the date to vote on all positions. No changes have been made since 2021 be prepared to make those changes at the next meeting. Discussion of introducing more parents to what Band Aides are all about and sharing info during Band Camp. Also discussion of changing the name Band Aides to Band Parent Meeting as the name can be confusing. The biggest hurdle of sharing info is not having parent info. Possibility of using Parent Square for Band Parent usage instead of Band App. We pay \$740 yearly for the Wix website and the renewal is coming up. The domain for <https://cehsband.com> is open on Godaddy. We voted to make this change to save money. Kristen 1st, Emylie 2nd. The start up cost was \$142.56 and will cost \$203.88 to renew. Need to update Facebook page to CeHS Band as well.

**Secretary:**
