PUBLICATION

Scopus*

Selected research articles will be submitted in following journals for possible publication after peer review process.

- ❖ **International Journal of Automotive and Mechanical Engineering (Q2, Scopus)**
- ❖ **Journal of Mechanical Engineering and Sciences (Q2, Scopus)**
- ❖ **Material Physics and Mechanics (Q3, Scopus)**
- ❖ **Springer Nature Applied Sciences, Springer (ESCI, WoS)**

All other accepted and presented research articles will be published in **Elsevier's Materials Today Proceedings** indexed in **Scopus**.

IMPORTANT DATES

Abstract without Publication	: November 20, 2019
Notification of Acceptance	: November 30, 2019

OVERVIEW

The International Conference on Advances in Mechanical Engineering and Nanotechnology (ICAMEN 2020) will be held at Manipal University Jaipur during February 28-29, 2020. This conference is a 2nd version of a successful ICAMEN series and will provide a splendid opportunity for academicians, researchers industrial pupil and young scientists to address new challenges and discuss future research directions. Contributions are expected from academia, industry, and research agencies. It is a highly selective, single-track meeting that will be soliciting submissions presenting significant, original, and previously unpublished research. ICAMEN 2020 aims to be one of the leading international conferences in the world, and it will provide an exciting environment for researchers to present and discuss the latest engineering technologies and its applications.

CALL FOR PAPERS

Papers are called in the following tracks, but not limited to:

1. Nanotechnology
2. Engineering Design/Mechanics
3. Thermal Engineering/Energy
4. Material Science and Engineering
5. Manufacturing and Technology
6. Production Engineering

ABOUT MUJ

Manipal University Jaipur (MUJ) is the youngest member of the Manipal Education Group, and was established in 2011, inheriting the culture of excellence in higher education spanning over 60 years. The permanent campus of MUJ is set up on 122 acres of land, in the outskirts of Jaipur and is by far one of the best campuses in the region. It has been bestowed with the 'National Education Excellence ASSOCHAM Award 2015' and five-star rating by 'Green Rating for Integrated Habitat Assessment' (GRIHA). Manipal University Jaipur, established on an invitation from the Government of Rajasthan, is all set to redefine academic excellence in the region. MUJ has world class infrastructure, incorporating advanced research facilities and modern library.

ABOUT NIT Uttarakhand

National Institute of Technology, Uttarakhand (NITUK) is one of the 31 National Institutes of Technologies in the country. Since its inception, this Institute has grown many fields and has established itself as one of the best Technical Educational Institutes. NITUK is established in 2009 under the Act of Parliament by Ministry of Human Resource Development. The Institute offers full time B. Tech. and M.Tech. Program in Computer Science & Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering, Mechanical Engineering and Civil Engineering.
