

Make a difference. Give hope.

You can help a child in need of a life-saving transplant by working with the Children's Organ Transplant Association. COTA works with thousands of transplant families across the country – including many in Arizona.

With your help, COTA provides fundraising assistance and family support to transplant families at no cost.

Commended by The American Legion for its humanitarian efforts on behalf of children in need of organ and bone marrow transplants, the Children's Organ Transplant Association has partnered with Departments, Auxiliaries, Detachments and Squadrons for more than 35 years. Special thanks to Detachment Commander Mike Bryant for supporting our kids in Arizona!

You can make a hope-giving, life-saving difference by contacting COTA today.
