To Whom It May Concern –

I had the pleasure of working with Kenny B Live, at our most recent fundraiser, for Hurricane Dorian Relief Efforts.

Kenny is an absolute joy to work with. Not only is he a skilled musician, but he possesses a great energy, that enhanced the atmosphere of our event.

I admire his professionalism, communications skills, as well as the ability to make last minute accommodations and adjustments.

Kenny had a great interaction with the audience, as well with our Emcee. His music kept the ambiance fun and lively and truly enhanced our event.

Without hesitation, I would highly recommend Kenny B Live for any upcoming events.

Sincerely,

Dawn Mariotti

“As a professional Emcee, Kenny B Live was a dream to work with during the event. Extremely accommodating and focused on the needs of myself, as well as the guests” – Andrea, A Jones Event Emcee
