Our names are Jerry and Marylou Rinehart, owners of Rinehart and Associates. Our business is an International Security Consulting firm. We live and work in Jacksonville

We are writing this letter to recommend Ken Baxley aka Kenny B. We have used Kenny to Entertain in our home on 2 different occasions and most recently at our Marina San Pablo Condo's "Spring Fling" last May. We found Kenny B to be a wonderful entertainer keeping the music flowing and engaging. Kenny was punctual and stayed in contact with us prior to our party. We will and are using Kenny B again at another function at Marina San Pablo. Please feel free to contact us for verbal recommendations as well.

Respectfully,

Jerry and Marylou Rinehart
