MISSION STATEMENT

Project Reclamation has joined forces with other non(and for) profit organizations to spark change in our community. Just like school fundraisers that support band trips and extracurriculars, our initiative transforms every sticker sold into a stepping stone toward better education for our children. With hearts full of hope and a commitment to innovation, this partnership empowers our youth, inspires community unity, and creates tangible opportunities for a brighter future.

Our Key Objectives

PUT PURPOSE IN EVERY PURPOSE

Every sticker isn't just a design—it's a direct investment into a child's future. With each sale, we're helping cover tuition costs, school supplies, and access to better educational environments. It's easy to give, and it makes a real difference.

LET THE CHILDREN LEAD

Our children will be the heart of this fundraiser—learning how to speak about a cause, handle responsibility, and feel the of giving. It's not just about selling; it's about showing them what leadership and purpose look like.

MAKE GIVING FEEL GOOD

This fundraiser was built to be uplifting. Whether you're buying one sticker or 100, you're part of something bigger. Everyone who joins gets to say, "I helped a child dream bigger and reach further."

KEEP IT LOCAL. KEEP IT REAL.

This isn't some big-box effort—it's grassroots, it's community, it's family. Your support starts right here in Ohio, helping real kids you might already know, in schools you drive past every day.

BUILD A MOVEMENT NOT JUST A MOMENT

We're not just raising funds—we're raising hope. This isn't a one-time event. It's the start of something ongoing, something meaningful, something you'll be proud to say you were part of from the beginning. fundraiser was built to be uplifting. Whether you're buying one sticker or 100, you're part of something bigger. Everyone who joins gets to say, "I helped a child dream bigger and reach further."

We would love to work with you

AT PROJECT RECLAMATION TOLEDO, RESTORATION BEGINS WITH THE INDIVIDUAL BUT TRANSFORMS THE ENTIRE HOUSEHOLD. THAT'S WHY WE NOT ONLY SUPPORT THE MEN WHO JOIN OUR COMMUNITY—WE ALSO CREATE OPPORTUNITIES TO UPLIFT THEIR CHILDREN. OUR YOUTH AMBASSADORS ARE THE SONS AND DAUGHTERS OF FATHERS WHO HAVE SIGNED UP FOR PROJECT RECLAMATION AND PARTNERING COMPANIES—WHETHER PAST, PRESENT, OR FUTURE PARTICIPANTS.

These young leaders are stepping up to support the mission in powerful ways.

Work With Us 1:1

As part of our fundraising and outreach efforts, Youth Ambassadors assist with the selling and promotion of items such as stickers, bundles, and posters, wall art and other graphics during pop-ups, community events, and online campaigns. Along the way, they are introduced to valuable concepts like:

- Financial literacy
- Teamwork
- Service
- Confidence in communication

All from a parental

Free Lessons and Experience

When age-appropriate, with guardian permission and full supervision, some Youth Ambassadors may be eligible to receive a small token of appreciation (typically 5%–70% of the total value of what they help sell). This is provided in the form of a legal and compliant gift, incentive, or savings-based reward—not direct employment income.

We are Intentionally sparking early conversations around money management, currency, and the value of hard work, all while allowing these children to stand proudly alongside their fathers and community in support of something meaningful

To truly amplify the mission of Project Reclamation Toledo, we're taking a creative and community-based approach to fundraising. That means going beyond traditional donations and designing multi-channel events that engage people on multiple levels. Our fundraising efforts span across several dynamic channels mentioned below. By weaving together storytelling, financial opportunity, creativity, and intentional community spaces, these multi-channel fundraising events do more than raise money—they build legacy, and activate change.

IGNITE YOUR CHILD'S IMAGINATION!

1. Youth Ambassador Booths

These vibrant booths are the heart of our events—where purpose meets personality. Our Youth Ambassadors, all of whom are the children of fathers enrolled in Project Reclamation (past, present, or future) or Partnering Companies, participate in safe, age-appropriate roles with the permission and oversight of their guardians as volunteers.

2. Live & Local Events

We'll bring energy to the community through:

- events, festivals, workshops and other community engaging events
- Vision board workshops featuring our stickers and creative items
- Fundraising brunches/dinners with guest speakers and testimonies
- Vendor and small business expos showcasing our partners and affiliate sponsors
- Pop-up shops in libraries, cafes, parks, or community centers

3. Digital Sales and Streaming

Through our live streaming platforms (TikTok, Twitch, Instagram, and more), we host:

- Behind-the-scenes Content
- Product reveals and storytimes
- Sticker Auctions and Fundraiser Efforts
- Giveaway and appreciation days

All paired with QR codes linking to our donation pages, online stores, and sponsorship forms.

4. Threshold Affiliation & Sponsorship Drives

We embrace threshold affiliation—a model where partners contribute services, resources, or products in exchange for brand visibility, volunteer experiences, or customized community shout-outs. This includes:

- Sponsored bundles for families in need
- Business cards in giveaway bags
- Names or logos featured in print and on screen
- Recognition on our upcoming website and event banners

Each booth is a learning and earning opportunity, featuring:

- Informational displays
- Stories sharing how Project Reclamation has impacted their families
- Financial literacy practice where qualifying Youth Ambassadors may receive 10%–70% of the total from their personal sales, as a way to practice savings, stewardship, and entrepreneurship (structured to be legal and compliant with child labor laws)

SALES AND OPPORTUNITIES

Implement Sales and Donation Mechanisms

To create a dynamic, consistent, and accessible giving environment, Project Reclamation Toledo is offering daily opportunities for our Youth Ambassadors and team members to host pop-up tables, participate in live streams, and run donation campaigns. These options allow donors and supporters to give in ways that feel personal, purposeful, and timely.

Offerings include

- Donation based merchandise. When you receive a Donation of a particular about each child is able to release somebody from that designated category.
- Merchandise may include ...
- Sticker Stations: \$2.50 each (or \$1 during designated community days)
 - Exclusive Posters/Wall Art Sales: including Framed & unframed posters, canvases, banners, and more
 - Exclusive Art sales (Includes any external price of art created under the supervision of Project Reclamation or partnering companies that they'd like to sell)
 - Custom Bundle Pre-Orders: Personalized scripture, memorial, or affirmation items
 - Donation Jars & QR Codes: Each booth features simple giving options for supporters who wish to give without making a purchase

Youth Ambassadors ONLY range from ages 10 and up (with permission) will receive 5%–70% of their sales if legally allowed under guardian-monitored agreements and program compliance.

Daily Youth Ambassador Pop-Up Tables
