

How It Works

1. Track Your Progress

Every contribution you make—whether a one-time donation or monthly commitment—is recorded and tracked. We keep you informed about how close you are to reaching new sponsorship levels.

2. Reach New Milestones

As your total contributions grow, so do the rewards. Each milestone reached unlocks enhanced benefits, and we ensure you're notified every step of the way.

3. Personalized Rewards

Each reward level brings unique opportunities tailored to highlight your generosity. From surprise thank-you gifts to exclusive networking events, your support unlocks creative and impactful ways to celebrate your involvement.

4. Special Recognition at Every Step

Your impact is acknowledged publicly and personally. We showcase your contributions through shout-outs, inclusion in our newsletters, and display of your name or company logo on our website and at events.

5. Ongoing Opportunities to Engage

Rewards evolve as you continue to support our mission. Beyond recognition, you'll gain access to unique collaborations, professional development resources, and meaningful ways to connect with our community.

6. Full Benefits Upon Level Completion

While you'll enjoy partial benefits during monthly contributions, full rewards are unlocked upon completing the sponsorship level. For example, Bronze sponsors receive all the benefits of their tier once the \$500 threshold is met, and so forth for higher levels.

By partnering with Project Reclamation Toledo, you're helping to drive transformation and empowerment for men in need. We are proud to offer a rewarding and transparent process that reflects the impact of your contributions while celebrating the generosity that makes our mission possible.

Your support is changing lives, and we are here to celebrate every milestone you achieve along the way.

What the Sponsorship Rewards Are Not:

The Sponsorship Rewards are **not** a transactional or contractual agreement guaranteeing specific services, products, or financial benefits. Instead, they are a way for us to recognize your contributions and highlight the value of your partnership. To ensure clarity, please note the following:

1. Not a Purchase or Exchange of Goods/Services:

Sponsorship is a charitable commitment, not a commercial transaction. The rewards are a gesture of gratitude, not an entitlement or payment for services rendered.

2. Not Fixed or Guaranteed:

Rewards are flexible and subject to change based on availability, organizational priorities, and unforeseen circumstances. While we strive to fulfill outlined rewards, substitutions may occur if necessary.

3. Not a Benefit Plan:

The rewards are not designed to provide financial gains or direct compensation beyond any potential tax-related benefits from charitable contributions. Please consult a tax professional for guidance.

4. Not Fulfilled at Every Step Automatically:

Partial rewards may be provided during monthly contributions, with full benefits delivered upon completing the sponsorship level. Specific items or services listed may vary based on timing and availability.

5. Not Personalized for Immediate Needs:

While we strive to make rewards thoughtful and meaningful, they are not designed to function as a tailored service offering for individual or corporate needs.

6. Not a Means of Organizational Influence:

Sponsorship does not grant decision-making authority or influence over Project Reclamation Toledo's mission, operations, or leadership.

What Sponsorship Rewards Represent:

The Sponsorship Rewards reflect our gratitude for your generosity and commitment to supporting the men and families reclaiming their lives. They are a way to celebrate your impact, strengthen partnerships, and honor your role in creating lasting change.

This approach ensures transparency, manages expectations, and keeps the focus on the shared mission of transformation and empowerment.

Sponsorship Rewards Overview

At Project Reclamation Toledo, we are committed to honoring your dedication and support as you progress through our sponsorship levels. The Sponsorship Rewards reflect our gratitude and the meaningful difference you are making in the lives of men reclaiming their future.

This is not a transactional system but rather a way to celebrate your involvement and ensure your contributions are recognized.

Overview:

The rewards and benefits outlined for sponsorship may include, but are not limited to, the items listed. All rewards are subject to availability, and specific offerings may vary depending on the sponsorship tier and other considerations. The organization reserves the right to modify, substitute, or discontinue any rewards or benefits at its discretion. Sponsors will be notified of any changes to the rewards program in a timely manner.
