Dear Lord, we thank you for bringing us to the start of a new month. We pray that when this month is over, we will be closer to you than we are at this moment. Please bless our family and friends and keep them safely in your care. We ask for your healing hand to be upon those who are ill and we ask for your hand of provision to meet each need. We thank you in advance for all you will do. In Jesus' name we pray.
 Amen

MARCH 2022

Come, behold the works of the LORD, how he has brought desolations on the earth. He makes wars cease to the end of the earth; he breaks the bow and shatters the spear; he burns the chariots with fire. "Be still and know that I am God. I will be exalted among the nations, I will be exalted in the earth!"

The LORD of hosts is with us; the God of Jacob is our fortress. Selah --Psalm 46:8-11 esv

I dropped my intended Chimes article this morning and wrote a fresh one, because my wife came downstairs for breakfast and told me the radio had said that Russia invaded the Ukraine overnight. She also made the comment, "I wonder how many churches they will burn this time," referring to the previous Russian invasion of the Crimea, and the stories we have known of Christians suffering there. Another war has begun, a sad fact of human history since the beginning. Where will this one lead?

What is interesting to me is that I was considering changing to another topic already, asking if YOU, as part of our church, are ready for war? Why? Because we just baptized two young men in the last couple of weeks, and then last night at Kid's Club, I was called out of Bible study to come upstairs to talk with some more children interested in getting baptized, too, because they had just prayed for Christ to come into their lives. God is moving in our midst, and we are seeing some of the fruit in the realm of our work with young people through the leaders who are so committed and generous with their time. In my experience, though, whenever God starts working and people start coming to Christ, Satan starts working, too, and counterattacks to stop the Gospel's spread. So while you and I are watching the news of the new war in the Ukraine, make sure you are also paying attention to the war behind the war, the war that rages around the globe, the one in which you and I are engaged in here at Fremont, FBC.

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Therefore, take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm. -- Ephesians 6:12-13 esv

We are engaged in many activities that occupy our attention here on earth. As Christians, while we observe news of wars around the globe, or see battles in our own country for the soul of America, let us

never forget that the earthly battles are just that...earthly, temporary, fleeting. **But behind every human strife there is a heavenly battle** not for the soul of a country, but for the souls of men and women caught up in the grasp of sin and self. I find Psalm 46 reassuring, that even in times of war, God remains on the throne and will himself bring them to an end when HE chooses, not when we do. That Psalm was printed in the cover of the little New Testament my dad carried through World War II...it reminded him of that fact even while he was in the midst of battle. And it is up to us, as believers, to clothe ourselves in God's mighty armor and stand God's ground in the spiritual battles raging around the earth and in our own communities.

Last night at Wednesday Bible Study, before news of the invasion had come, we prayed for Russia and for our brothers and sisters in the Ukraine, and for Mr. Putin—that God to reveal himself to him. We prayed for Jordan and Jaxson, whom we have just baptized. We prayed for those working with our young folks up on the top floor, while they were serving on the front lines of this great conflict in which we are engaged. Let us never forget that, just as the Ukrainians are not going to just idly stand by and let Russia take over territory, so Satan is not going to stand idly by as the Gospel changes lives and people are baptized in our midst. Today, I exhort you to make sure you suited up and ready for whatever fiery darts Satan might sling our way, and never forget, God has never been dethroned, and he has never abdicated. He is working and will work his will and his way either through us or in spite of us, either with our aid or by getting us out of the way so others can aid. And if you read the back of the book, God ALWAYS wins!

Rise up, O Christian, this is your day!

MISSIONS
& OUTREACH

This month we have been blessed to begin with a baptism of one of our own, in the youth group, Jaxson Krueger. This was special for us as a youth group to see the faith in another, demonstrated by his actions and as he followed through in believer's baptism. This allowed us as a youth group to begin focusing more on the callings of Christ and the opportunities that could be ahead in a life with and for Christ. It also provided our whole group opportunity to focus on seeking Christ with actions and seeking Him more often than simply when we show up at church. Then on the 20th I also had the privilege of baptizing Jordan Stevenson, exciting times!! Thank you for all your continued prayer and support in our ministry! With your help God is allowing us to boldly proclaim His name and to continue to cast out seeds so that they would continue to find good soil to spring up and produce fruit! -Luke

Vision Team Meeting: February 12, 2022

Mike Raasch called the Vision Team meeting to order with the following members present: Mike Raasch, John Mitchell, Eileen Cash, June Cardwell, Randy Cash, Joel Foreman, Mary Weldon, Marcia Hills and Pastor Richard Crooks.

Mike opened with prayer and a devotion dealing with times when one's world starts to collapse.

Randy provided and pointed out highlights of the financial report for the month, and answered questions as raised. He noted that with the downturn of the market, the endowment value dipped about \$17,000 in January.

John Mitchell shared an update of Property Team's activities. 1) They are looking into replacing the outside door by the buses which is in bad shape. 2) A 65" television was purchased for use in the parlor to make presentations easier to accomplish, mounted to the west wall. 3) Ongoing work on internet access continues, with 3 new cables with one run to the computer by the soundboard in the sanctuary, a second to be available to boost wireless in the West section of the building, and an additional as a spare to be used where needed. It is thought the projection screen that was removed might be useful hung in the Family Center for projection there. 4) Work is being scheduled for replacing bulbs and some lights in the sanctuary. 5) They are looking into companies and costs to replace parsonage roof which has been leaking. 6) When spring comes mulch chips will be gotten from the city to fill the edges of the parking beside the playground. 7) The big bus has not been starting, but since it is not needed right now, they will wait until spring to work on it. 8) Mary suggested we consider having Classic Cleaning add the church's entry doors to their regular schedule of Family Center window cleaning. Pastor will check into the cost.

June reported that on Wednesday evening, February 1, Jaxson Kruger was baptized during the Kid's Club time so they could see it, with Youth Pastor Intern, Luke Chavanne, working with Pastor Richard for it. Jordan Stevenson is scheduled for baptism on Feb. 20. Pastor and Luke are in discussion about some of the youth's questions and plans to address their concerns about the difference between what society and Christianity teach. 

Eileen shared that there are 7 lap-ropes at the quilters, which costs about \$45-\$60 each, so funds will be raised to cover. ABWM did not meet in Jan or February.

Pastor shared that he had met with Joan Sorenson, Linda Schutte and Bob Marsh, as Joan steps into assisting as the second Caring Ministry Contact, to help coordinate and possibly grow our use of greeting cards by developing a group of folks who will assist, and making sure that the current work is covered while looking into other possibilities. They decided we will be sending teachers cards in March, May and August, to the Fire Department and Police for the 4th of July and Thanksgiving, and also gather contacts to include the Wednesday night families for birthdays and anniversaries.

Pastor also shared other discussions that have occurred about placing another large screen television in the Family Center for Sunday mornings and for ball games. He mentioned that the

reason we purchased when we did was due to sales on large tvs occurring around the Super Bowl. Discussion of the idea followed, and Mary suggested we get the parlor tv working first to make sure everything works as planned, and then buy one for the Family Center around Black Friday. No action was taken, but the idea of waiting was recognized as having merit. (Shortly after the meeting, an individual offered to go ahead and donate to purchase a Family Center television now, so that it can be used for the movies we are showing and at the start of football season, and so purchase was made.)

Pastor reported that Nola and he had been invited by missionary Carmella Jones to come to Budapest, Hungary to visit her work and that of our other missionaries there. He indicated that he and Nola scheduled a week and half trip for April 18, right after Easter. He will be using a week's continuing education time for the trip, and access some convention/continuing education funds for a portion of the cost. They are checking with the missionaries to see if there are helpful items that could be collected to take for the work. Luke will fill the pulpit while Pastor is gone.

Men are planning on breakfast for Easter Sunday. Vision Team discussed and then set March 19 as an All-Congregation spring cleaning day for the church. Property and the office will help assemble a list of things to be done. If weather is bad, we will only do inside projects and schedule a late date for outside.

Mike and Pastor shared that they are working on a devotion style booklet for the congregation to have for the Lenten season as we prepare for Easter.

Meeting adjourned.
