Lead Pastor Richard Crooks | Youth/Children's Ministry Intern Luke Chavanne | Fremont, NE

## Pastor's Notes:

***"It is good for me that I was afflicted, that I might learn your statutes."-- Psalm 119:71 ESV***

Does that verse sound like something you would say? For most of us, most of the time, we see the troublesome experiences of life as something to tolerate, to avoid, to get through, or to defeat, rather than as something good through which God can teach us. But there are lessons learned through difficult experiences that cannot be learned other ways. For example, those who grew up in the Great Depression learned lessons that impacted the rest of their lives.

In light of that perspective let me ask, what have you learned during these months of COVID? What has God been teaching you through it? Or, from another angle, how has God been using this pandemic in your life? I still remember when, at our first day back at in-person worship last year, one of our members commented that she didn't realize how much her attendance at worship meant to her until the opportunity to do so had been taken away. That's a pretty good thing to learn, I'd say. What about you? Perhaps some biblical examples might spark your own reflections (all in ESV).

**Maybe you are learning to experience God as a source of assurance as you have been limited in other activities.** *"It is good that one should wait quietly for the salvation of the LORD." – Lamentations 3:26*

**Maybe you are learning that God is your source and strength, greater than anything that might come against you.** *"The LORD is my light and my salvation; whom shall I fear? The LORD is the stronghold of my life; of whom shall I be afraid?" –Psalm 27:1*

**Maybe you are learning how small and helpless we really are.** *"When I look at your heavens, the work of your fingers, the moon and the stars, which you have set in place, What is man that you are mindful of him, and the son of man that you care for him?"-- Psalm 8:4*

**Maybe, overwhelmed with loneliness, you are learning to experience God as your always present companion and friend.** *"And behold, I am with you always, to the end of the age." Matthew 28:20*

**Maybe you are learning to reconsider what is really important in life, when previously the world was focused on so many other things.** *"For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?"-- Matthew 16:26*

**Maybe you are learning some humility, recognizing how little even**

**the brightest among us understand about the workings of the universe.** *“How great are your works, O LORD! Your thoughts are very deep!”*  
-- Psalm 92:5

**Maybe you are learning that we are all connected, responsible to and for one another, and that life is about more than just ourselves.** *“Let each of you look not only to his own interests, but also to the interests of others.”—Philippians 2:4*

**Maybe you are learning to hold life loosely, realizing that we never really know the future nor are fully in control of our lives or circumstances.** *“Do not boast about tomorrow, for you do not know what a day may bring.”--Prov 27:1*

**Maybe you are learning how fragile God’s gift of life really is, how quickly it passes, and how everything can change in a moment.** *“What is your life? For you are a mist that appears for a little time and then vanishes”--James 4:14*

**Maybe you are learning to live beyond this world, to invest your life, time, energy and resources in something that is more lasting than these earthly trappings.** *“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal.”*  
-- Mathew 6:19-20

Maybe you are learning something entirely different from God in these times. Let me encourage you in two things: 1) Don’t let this bizarre time in history pass by without having learned the things God can teach you through it; 2) Whatever God is teaching you, share it with others...He may want to teach them the same lessons, but use YOU as His instrument for the lesson.

Still learning,

## To Our Pastor Pastor Richard

You teach us from the Bible  
Words of love and so much more.  
Your dedication to God’s Word  
Is Something we are grateful for.

You show us Christ is surely the answer  
And that He’ll strengthen us each day,  
You never seem to get weary  
Helping others along God’s way.

Full of wisdom, guidance and loving concern  
And your encouragement means so much,  
We’re so blessed that you’re our Pastor  
And our lives you’ve truly touched.

## To Our Pastor’s Wife Nola

It take a special person  
To be a pastor’s wife  
For it is not an easy task

The phone often rings at dinner time  
Vacations, they are few  
With so many needs in our church  
There is always lots to do

When people need a helping hand  
On you they can depend  
For you always try to do you best  
To be a faithful friend

So keep this note in a special place  
So you will always know  
You are a special gift from God  
Who is appreciated so

# What is it like to be a Christian?

God picks you from the patch, brings you in,  
and washes all the dirt off you.  
Then He cuts off the top and scoops out all the yucky stuff.  
He removes the seeds of doubt, hate, and greed.  
Then He carves you a new smiling face.  
He then puts His light inside of you to shine for all the world to see.

## October Bible Puzzle:

This church member remembers well the tragedy of the Pathfinder Hotel. Having gone in to work a little early that day, he/she and a fellow worker slipped out to head to the hotel for breakfast, but in a few steps were called back for the monthly birthday treats at work. Afterwards, started back out again just as the explosion occurred. So God used birthday treats to save the life of this member! (Their spouse was very worried, not knowing he/she had not yet gotten to the hotel.?)

## October Peoples Puzzle

This church member quarterbacked his high school football team's winning season to a state championship title! He ended up turning down a college scholarship in order to help care for his ailing grandfather.

We would like to thank our church family for many years of visits, cards, prayers, and well-wishes for mom while she lived at Arbor manor and then Nye Point. We want to also thank everyone for prayers, cards, and memorial gifts in memory of Mom's going home to Heaven.

Thank you to Pastor Richard for the wonderful service, to Jean Foreman for playing the piano, and to the ladies who provided the luncheon that followed.

## FBY News!

Greetings!

We had tried to open this year with only 9-12 grades for Wednesday nights, however this didn't work out. The Covid variance is a big factor this year on how things will be run. God wants us to open at a later date it seems. We are working for October 6th KICK OFF with special guest "Wildlife Encounters". We truly need to have a kick off night for all the needed paper work, and to be able to speak with the parents.

We are moving ahead with what is needed at this point. September 20th, we had a short meeting with teachers and helpers on curriculum and thins we need to prepare fore.

Please be in prayer for what is to come. The helper are wonderful and the teachers can not wait to see the kids an start telling them about JESUS!

Respectfully submitted, June Cardwell, Youth Ministry Coordinator.

Thank you to all the people that were involved in helping with Marilyn's funeral dinner. Thank you to all that attended the and gave prayers and support. It was greatly appreciated.

God Bless you all,  
John Mitchell and family
