The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our Fry's Community Rewards program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Fry's and swipe your Shopper's Card. Here's how it works:

1. Create a digital account.

A digital account is needed to participate in Fry's Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the Fry's Community Rewards selection on your digital account.

1. Sign in to your digital account.
2. Search for your organization [here](#).
3. Enter the name or NPO number of the organization you wish to support.
4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Fry's Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.
