SPRING AUCTION- May 1, 2020

For the month of March, classes will compete to see who can ask the most businesses for a donation for our auction! If a family asks a business (or a friend/relative at a business), then each child in that family will get the credit for the business. The class with the most businesses (by percentage) asked by March 31st will win an Eegee's party! Ask 5 businesses, and each student in that family will receive a Treasure Box prize from the office. Look for an e-mail this week with the auction business letter, and use this letter to bring to a business or send this letter electronically. We also have letters and folders in the office for you. Thank you for your help!

Dear Family and Friends,

I am happy to announce that I am getting married over Spring Break! Many of you have already met Jeff Lang, my soon to be husband. He is excited to participate in our Ministry at Faith Lutheran School and has already been active on campus. I will be taking Jeff's last name so when we return from the break, we will work to transition with the children to call me by Mrs. Lang. Of course, I expect to be called Ms. Nicholas for some time and will answer by both names. Thank you to this incredible community who has supported our family with love and prayer.

Blessings on your Spring Break!
Esther Nicholas (Soon to be Esther Lang)
