### Weekly Prayerful Thoughts

Camel Logic

Ever wondered how to control a runaway camel? Probably not. Yet, according to the authors of The Worst Case Scenario Survival Handbook, you can master the four steps necessary to corralling an unruly dromedary:

- \*Hang on to the reins, but don't pull back too hard
  - \*Pull the reins to one side and make the camel run in a circle. Basically don't fight the animal.
  - \*If the camel has nose reins, just hang on tightly.
  - \*Hold on until the camel stops. It will eventually sit down when it grows tired.
- We could apply these guidelines to any obstacle in life. Don't force things to happen. Work with others. Wait out a bad situation. The answer to life is to "let GO and let God."  
Psalm 55:22 Cast your burden on the Lord.

**Children's masks.** If you could please help by sending masks to the Front Office we would be grateful. PPP will be given.

**FIRST SMILES MATTER** will be at Faith Lutheran School Tuesday, February 8, 2022 from 9AM-12pm. A brochure was recently sent home. If you would like your Toddler, Pre-Schooler or Kindergartener to participate please return the consent form to the Front Office. Thank you.

Hello, my name is Jason Lueders, I am looking forward to being Faith Lutheran's middle school math teacher. I am married to my wonderful wife Linda, and we have 3 children. The oldest Chip, is 26 and lives in Kansas City, KS. Jeremy is 16, and Allie is 12. We live in Vail, and attend Mt. Olive Lutheran Church. For the past 20 years, I worked for the Federal Bureau of Prisons as an Information Technology Manager. While employed by the Bureau, we resided in Indiana, Wisconsin, Missouri and ending up here in Arizona, where I recently retired. I

have a Bachelors degree in Elementary Education, and a Masters degree in Computer Science. I am looking forward to this next chapter God has provided for me, teaching at Faith Lutheran, and working with the students as they grow in faith and love for God.

#### ADOPT A ROOM

Do you still need PPP for this school year? We have a great opportunity for you to earn your points and bless our teachers and students in a Big way! We are looking for parents to adopt a classroom. The responsibilities of this job would be to communicate with the teacher and principal to take care of some deep cleaning, maintenance and basic classroom tasks. Examples include washing window sills, gluing ceiling tiles, painting walls, sharpening pencils and organizing bookshelves. If you are interested in learning more about this meaningful opportunity, please contact the Front Office.
