

# FALCON FLYER

April 23, 2021

## FROM THE FRONT OFFICE

Packets went home last week with your child/ren last week. They include the registration documents needed by the Office for next school year (2021-2022). If you have already filled everything out and completed the online registration, your child will not receive a packet. Thank you for doing this already. I need the forms necessary, filled out, signed and returned as soon as possible.

It is also time to RE-ENROLL your child on Gradelink. This must be completed before school is out in May. PLEASE go into your Gradelink account via [www.gradelink.com](http://www.gradelink.com) and re-enroll your child/ren via the link on the left side menu. If you have any questions, please contact the Front Office.

Scholarship sites are open and waiting for you to apply. Please do all applications available as soon as possible. If you need any forms for your applications from the Front Office, please let me know.

We are getting excited about school being out, but need to be prepared for the new school year. Thank you for your help in this process. **Last Day of School is May 27th.** Please make arrangements to have final bills paid prior to the last day of school.

## JOIN US FOR CHAPEL ON APRIL 27 ON FACEBOOK LIVE @8:30AM

**Sometimes it is hard to think about Jesus,** especially when we are away from church. After all, you have never really met Him in real life. You don't know what His voice sounded like. We don't even know what He really looked like. Yet those things are not important. What is important is to know Jesus' heart. When you think about Jesus, think about:

1. How kind He was. He always looked for the best in people. So should we.
2. How powerful He was. He made sick people well. He will help you, too.
3. How much He loves you. He died a horrible death on the cross so that God and you could be best friends. Accept His friendship today!

*So all of you, holy brothers, should think about Jesus.  
Hebrews 3:1*
