## END OF 1ST QUARTER

Our first quarter was extended to October 16th due to our late start. Report cards should go home that Friday.

### 1st Quarter Awards Ceremony

Join us on Facebook Live for this special event which will begin after our 8:30am chapel on October 20th.

## The fascinating thing about God's Word

is that we start off learning about Bible characters and end up with a view of one character. Moses, Hagar, and Naomi are not distant kin but kissing cousins. I wonder ... *if they are not part of the great cloud of witnesses who are cheering us on each day, longing for us to learn from their mistakes and triumphs.* If we could hear them, what might they say?

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us."  
*Hebrews 12:1*

## TEACHER / PASTOR APPRECIATION Hosted by Faith's Lutheran Women's Missionary League (LWML)

October is when we traditionally celebrate Pastor-Teacher Appreciation here at Faith. We know this has been a particularly challenging year for all of our staff, but this is the time when we take a few moments to show them our special appreciation.

Lutheran Women's Missionary League (LWML) is asking everyone to please give a generous gift to be shared by our Pastor and school staff. **You may send a check or cash to the School Office. Please make your check out to Faith Lutheran LWML and on the memo line you may write Pastor-Teacher Appreciation.**

**If you are giving cash, please place it in a clearly-marked envelope for Pastor-Teacher Appreciation** so that it goes for that purpose.

**LWML would like to have all cash and checks by October 20<sup>th</sup>**, so that we can get checks of appreciation distributed to everyone by October 25<sup>th</sup>. May God bless and keep our Pastor and School staff in His protective care as they continue their faithful service in His name.

## PPP OPPORTUNITIES

### Are you great at wood-working or building?

We are looking for a parent to build a sandbox for our playground! This is a great PPP opportunity!

**The sandbox isn't your thing?** How about helping collect and prepare items for Science Experiments?

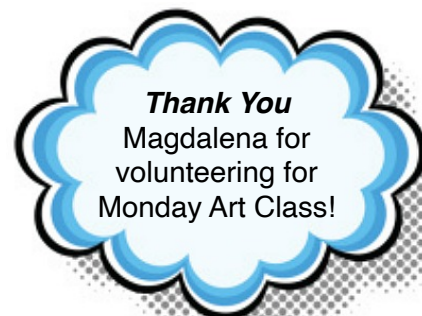

Mrs. Summerset is looking for a reliable helper! This is a project that you can help with from home.

**Maybe you like ART better!** Mrs. Summerset would also appreciate the help with art classes. Class is 2:00 - 3:00 each full day of school and you can sign up to help one day a week or every Tuesday - Thursday.

**Considering purchasing** a newly released or popular book that needs to be replaced for the library.

**And if you have an interest** in something we haven't listed here, we definitely want to hear from you!

**Please contact the Front Office if you are interested in these great opportunities to earn Parent Participation Hours.**

**Thank You**
