Photography Questionnaire

By law Status Mow LLC must inform you of the following

As required by Pennsylvania state law, the company must have the customer's permission to capture, upload, and document any photographs taken on the customer's property. Should a lawn service be provided at your property, Status Mow LLC would need permission for the use of photography. By signing below, the customer consents to the use of their property in photography and other business domains the company may utilize with them. All proper precautions would take place, including editing out personal information and address numbers, removing any unique details to the images, and ensuring secure and safe use of the images themselves.

Review & select from the following:

(Place a check mark in the appropriate circle)

- ☐ Yes. Status Mow LLC has permission to use photographs and other media of my property for business domains, including: websites, social media, and other venues of advertisement / marketing.
- ☐ No. Status Mow LLC does not have permission to use photographs and other media of my property for business domains.

By signing below, the signee has read and understood the document, and certifies that this is their decision. By signing below you certify the permission either requested or denied has been done so by the signee, and thus by the property owner or with the knowledge and approval of them. Please note that this signature is strictly for the photography questionnaire.
