

Harmful Sexual Behaviour

One-day open seminar

When: March 04, 2025
Where: 09:30 – 15:30 (online)

£120
+ VAT

Description

This interactive seminar supports those who work with children and families to respond effectively to concerns about harmful sexual behaviour in children and to increase confidence levels in discussing such concerns. The seminar uses case studies to stimulate group discussion, apply the use of key models and tools and reflect on practice dilemmas and effective responses to harmful sexual behaviour in children.

Content

- ✔ What is harmful sexual behaviour, how do we describe it, and what is the prevalence
- ✔ Understanding the pathways to harmful sexual behaviour
- ✔ Referral considerations
- ✔ The use and impact of technology
- ✔ Issues of consent
- ✔ Exploring language and victim blaming narratives
- ✔ Sex and our society
- ✔ Victim impact
- ✔ Assessing and responding effectively to harmful sexual behaviour

Facilitator – Philip Baines, Director, Woodland Baines Ltd

Philip consulted for the Home Office and supported practitioners working on the Home Office funded Harmful Sexual Behaviour Programme. Philip was a police detective in the Child Abuse Investigation Unit (CAIU) trained in;

- ✔ Specialist Child Abuse Investigative Development Programme (SCAIDP)
- ✔ Achieving Best Evidence (ABE- VRI vulnerable and intimidated witness interviewer)
- ✔ Significant Witness Interviewer
- ✔ Enhanced Cognitive Witness Interviewer
- ✔ Joint Investigator – Section 47 Children Act '89
- ✔ PIP level 2 investigator

Philip was also seconded to the Training Department for 2 years, where he received qualifications in training and delivered all these subjects, including the above. Philip also supports survivors and families who have been victim of all types of abuse, including technology assisted child sexual abuse (TACSA) through his work as a consultant for the Marie Collins Foundation.
