Dear Friends,

We appreciate your support of the transplant community and Live.Love.Donate. Inc. with your generous contribution. Proceeds made to our nonprofit will benefit Restoring Hope Transplant House, UW OTD, local dialysis centers and will help promote organ, eye and tissue donation throughout the State of Wisconsin. The Restoring Hope Transplant House assists patients from all over Wisconsin and over 30 other states, all in need of a life-saving transplant at UW Madison Transplant Clinic.

On behalf of our family and Live.Love.Donate. Inc, we would like to thank all our friends, volunteers, sponsors, contributors and participants. Thank you so much for your support of the transplant community.
