Join Beavers Northwest's Board of Directors!

Beavers Northwest (BNW), a 501(c)3 non-profit that increases acceptance and understanding of beavers to support healthier and more resilient ecosystems, is accepting applications for Board members. Through technical assistance, education, outreach, and support of research and habitat restoration, BNW plays a crucial role within the Puget Sound Region, and beyond. Board members volunteer their time to support the goals of the organization.

Board Member Responsibilities:

- Contribute to all Board activities, encompassing: financial oversight, strategic planning, board governance, recruitment, fundraising initiatives, and more
- Attend quarterly Board meetings
- Participate in at least one Board committee and engage in monthly committee meetings
- Respond promptly to communications from the Board and Executive Director
- Maintain awareness of organizational activities
- Offer guidance and assistance to the Executive Director
- Advocate for and contribute to the advancement of social and environmental justice initiatives and policies within the organization
- Commit to a minimum of two years of service

Our organization is open to all applicants who have a passion for our mission of supporting healthier and more resilient ecosystems by increasing acceptance and understanding of beavers.

Special consideration will be given to candidates with *any* of the following qualifications:

- Knowledge of and experience working in freshwater/wetland/wildlife ecology
- Knowledge of and experience working with nonprofit legal requirements/contracts
- Knowledge of and experience working in environmental education and/or outreach
- Knowledge of and experience in research study design
- Experience in nonprofit fundraising and resource development

To apply, please submit a letter of interest and resume to Nick Boyle, Board President at NickW.Boyle@gmail.com by **March 14th**.
