## This Week at Our School

Hello on this terrific Tuesday!

Re-enrollment for the 2026–2027 school year is now open for current families. Be sure to review the attached flyers for important dates, steps, and details to secure your child's spot for next year. We have a new tuition system you will need to set up in order to re-enroll.

We had such a wonderful time celebrating the 101st Day of School! The children had an absolute blast dressing up as 101 Dalmatians and diving into fun, hands-on activities throughout the day. From counting and creating to lots of laughter, it was a joyful celebration of how far they've come this year 🐾❤️

Looking ahead, Valentine's Day parties are coming up next week, and we are so excited! Our parent planning teams have been hard at work and they've come up with some truly creative and thoughtful ideas. The children have lots of fun moments to look forward to, and we're grateful for the care and enthusiasm our families bring to these celebrations 📧

Don't forget this Friday is Pizza Friday! 🍕 The cost is \$5 for students who attend on Friday, which includes pizza and fresh fruit. Pay either Venmo or cash.

If you have any questions about upcoming events, please feel free to reach out to the office (call or text):

# RE-ENROLLMENT FOR NEXT YEAR

As we look ahead to the summer months and the 2026-2027 school year, we want to ensure our current families have the first opportunity to secure their place in our community. To honor our returning families, we offer a Priority Enrollment Window from February 1 through February 14. After this window, remaining spaces will be offered to families on our waiting list and new applicants.

## We Think You Will Love the New School App

The app is now live in the app stores for you to download! We will begin using it immediately for communication. Our goal is to create one clear, well-organized place for the information families use most throughout the school year.

### ✓ One place for what matters most

School updates, snack calendars, absence notifications, Transparent Classroom access, and tuition information, all in one clear, easy-to-find place.

### ✓ A window into your child's school day

Direct access to Transparent Classroom through the app makes it easy to view progress reports and classroom photos that reflect daily work and growth.

### ✓ Fewer emails, more clarity

Important information is centralized, helping families stay informed without searching through inboxes or juggling multiple platforms.

## Voices of Our Village

Every family brings a unique light to our community. We invite you to share your thoughts about your time with us, whether through a quick text, a voice recording, a short video, or a photo snapshot. Your stories help us celebrate the growth we see in our students every day. Family stories will be visible on the app and the website! Please share yours by scanning the QR code above!

## **ELEMENTARY & MIDDLE SCHOOL**

We have had some students express interest in decorating a box for their valentines.

This is an option for the elementary and middle school classes, but is not a requirement. We will provide white bags for your child to collect valentines if they choose not to bring a box.

If you have questions, text us at  
918-688-0630.
